

SWaCH at the Joy of Giving Week 2013, Pune

Collection of Old Clothes:

Recycle your clothes!!

With a focus on 'recycling', people are requested to give clothes that can be re-worn. They should be clean, mended and packed (into categories) clothes. SWaCH in turn will pass on these clothes at a nominal rate to those who cannot afford retail. Organisations can set up collection centres with their premises and transport the collected clothes to SWaCH at pre-decided dates and locations.

Collection of E-Waste:

Dispose your E waste responsibly!!!

E-Waste contains mercury, nickel, cadmium, cobalt amongst other dangerous chemicals and metals. Which pollute the environment and harm people if disposed unscientifically. SWaCH has been authorized by the Pune Municipal Corporation to collect and store E Waste. SWaCH will ensure that the collected E-waste is sent to MPCB (Maharashtra Pollution Control Board) authorized recyclers under the E Waste Collection and Handling Rules

Organisations can set up an E-waste collection drive on their premises and transport the collected E waste to SWaCH at pre-decided dates and locations.

Recycle your Newspaper:

Give your old newspapers to SWaCH! They will be recycled into S.T dispo bags – newspaper bags for appropriate disposal of soiled sanitary pads to avoid direct handling of the same by wastepickers.
